Hopewell High School

Hopewell, Virginia

Foreword

This is our school. It appears to be only a building like any other, and yet there is something magical about it that endears it to our hearts. This magic is the spirit of its students as day by day they live and learn in its hallowed halls. This spirit is clearly expressed by the students in their willingness to learn, their participation in activities, and their loyal devotion to their Alma Mater.

In this year's Kaleidoscope, we have tried to capture some of the most memorable and inspiring phases of our school life through the spirit of the students of Hopewell High School.

We, the Kaleidoscope Staff of 1963, now present with pride the 1963 edition, hoping that it will mean as much to each of you as it has to us.

CONTESTANTS: Danita Halder, Jan Nichalsan, Diane Letchwarth, Barbara Watka, and Beverly Gilliam.

The first day of school brought new hopes for many, the departing of the class of "63" and the beginning for the class of "68".

The first football game of the "62" season was long awaited by the football team as well as their classmates.

Ten was the magic number for the boys and girls tapped for the National Honor Society.

Just as the first football game had been long awaited, the bonfire representing the Petersburg game symbolized our hopes for stomping the Crimson Wave again this year.

Rings were the subject talked about by all the Seniors as they received a tradition that has been passed down for many years.

The fifth annual "Rhythm and Blues" show sponsored by the D.O. Club was considered a great success by those who attended the annual affair.

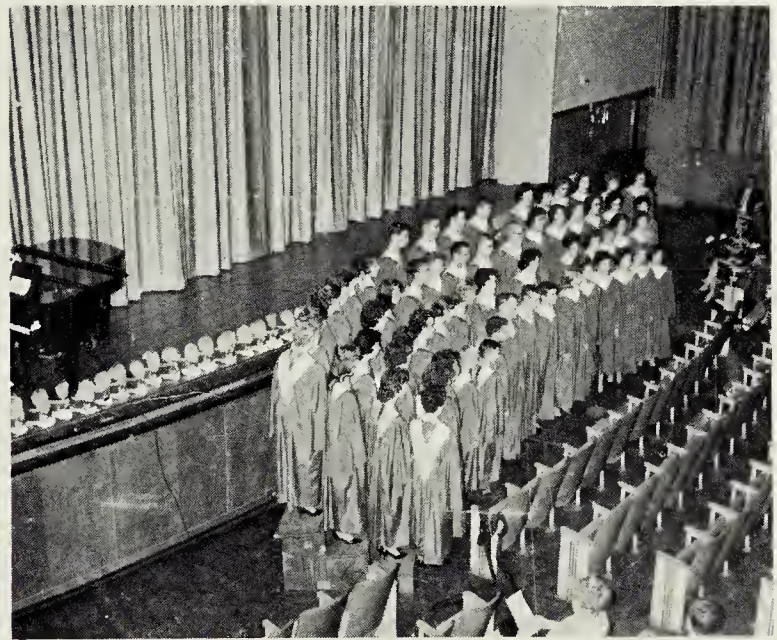

With all returning lettermen except one the Blue Devil basketball team is living up to every expectation hoped for by the student body.

As the month of February approached us, the tired co-editors of the 1963 Kaleidoscope completed the final pages and patiently awaited for the date when this work would become a reality.

Our Student Co-operative Association has many features that compare with our state and federal governments. Our exchange student from Brazil listens closely as our officers explain their duties.

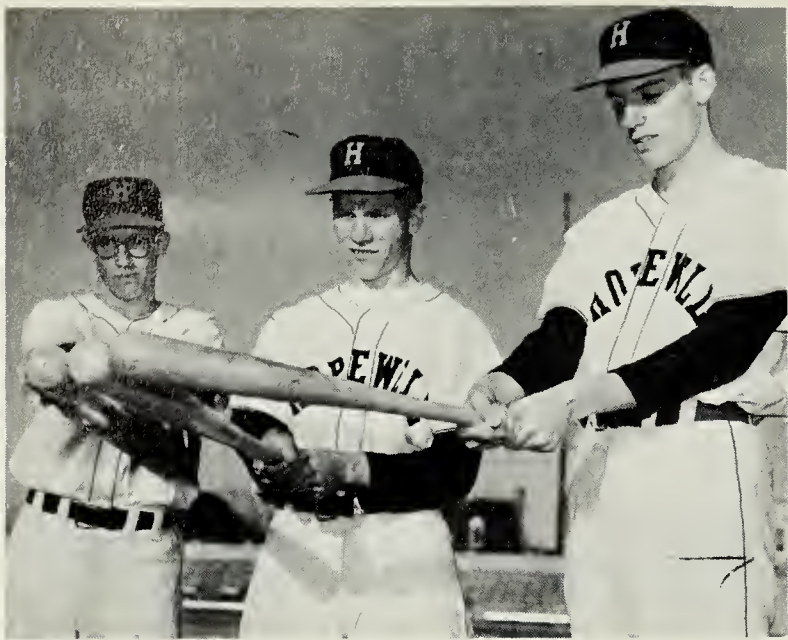

One of the best times of the year "Christmas" brought forth remembrances of what we have to be thankful for and with the contributions from each homeroom someone's Christmas was made a little more cheerful.

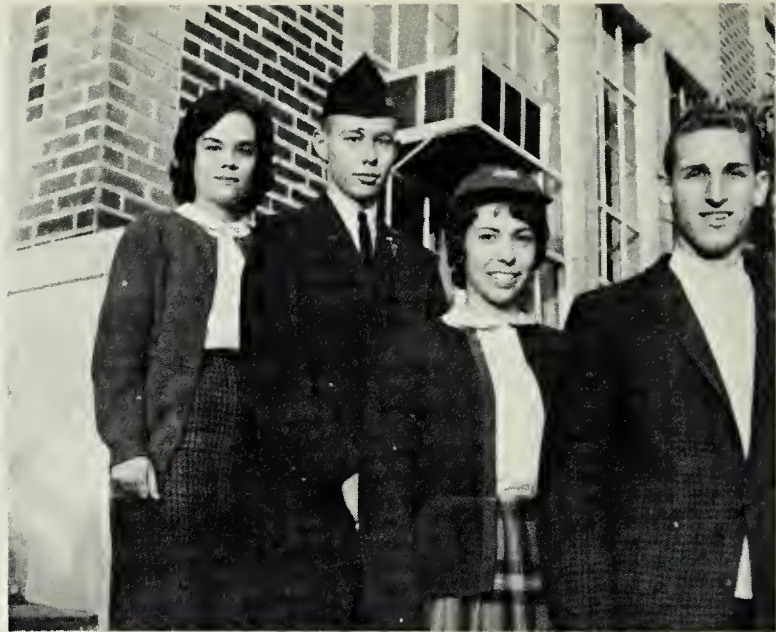

Fall and winter passed, and as spring came the Hope-well track team was competing with other members of the Central District in the various events taking place.

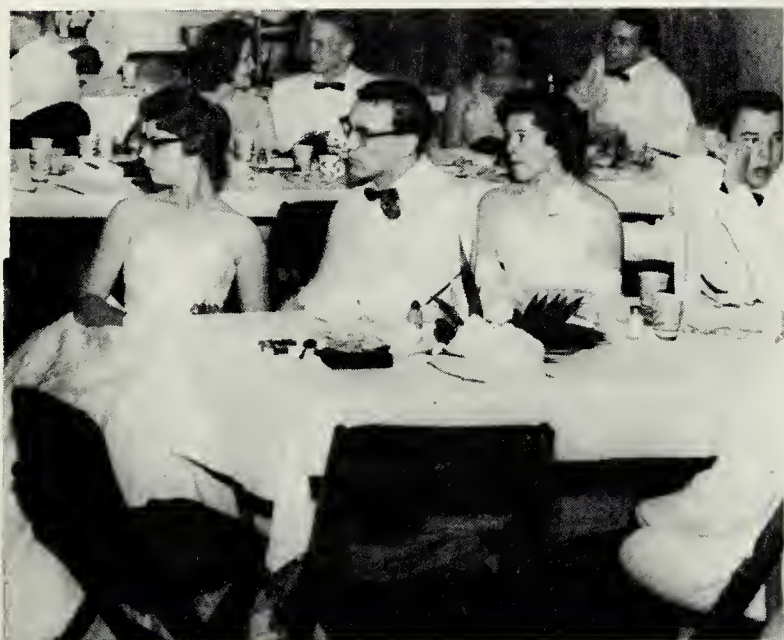

The annual Christmas Program presented to the Parent Teachers Student Association by our band and choir is always looked forward to by our parents as well as the student body.

Spring not only brought track, but the all time American sport, Baseball, and the Blue Devil baseball team was well under way to winning the scheduled games.

These four Seniors experienced a memorable time when then attended Boys and Girls State sponsored by the American Legion Post.

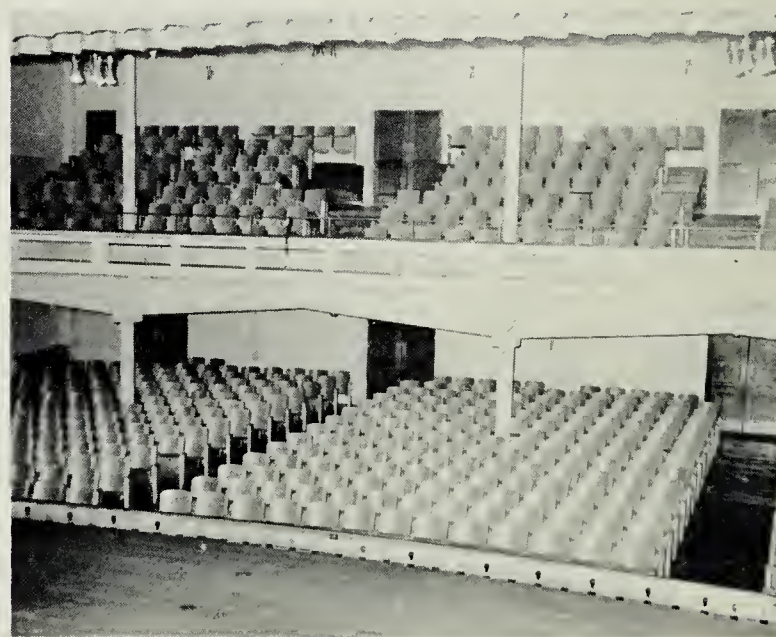

The annual Junior Senior Prom carried out the theme "Aloha" saying farewell to the Seniors of "62" and introducing to the Seniors of "63" the experiences long looked forward to.

Examinations, a very serious part of school life represent a review of the knowledge we have gained in the past semesters.

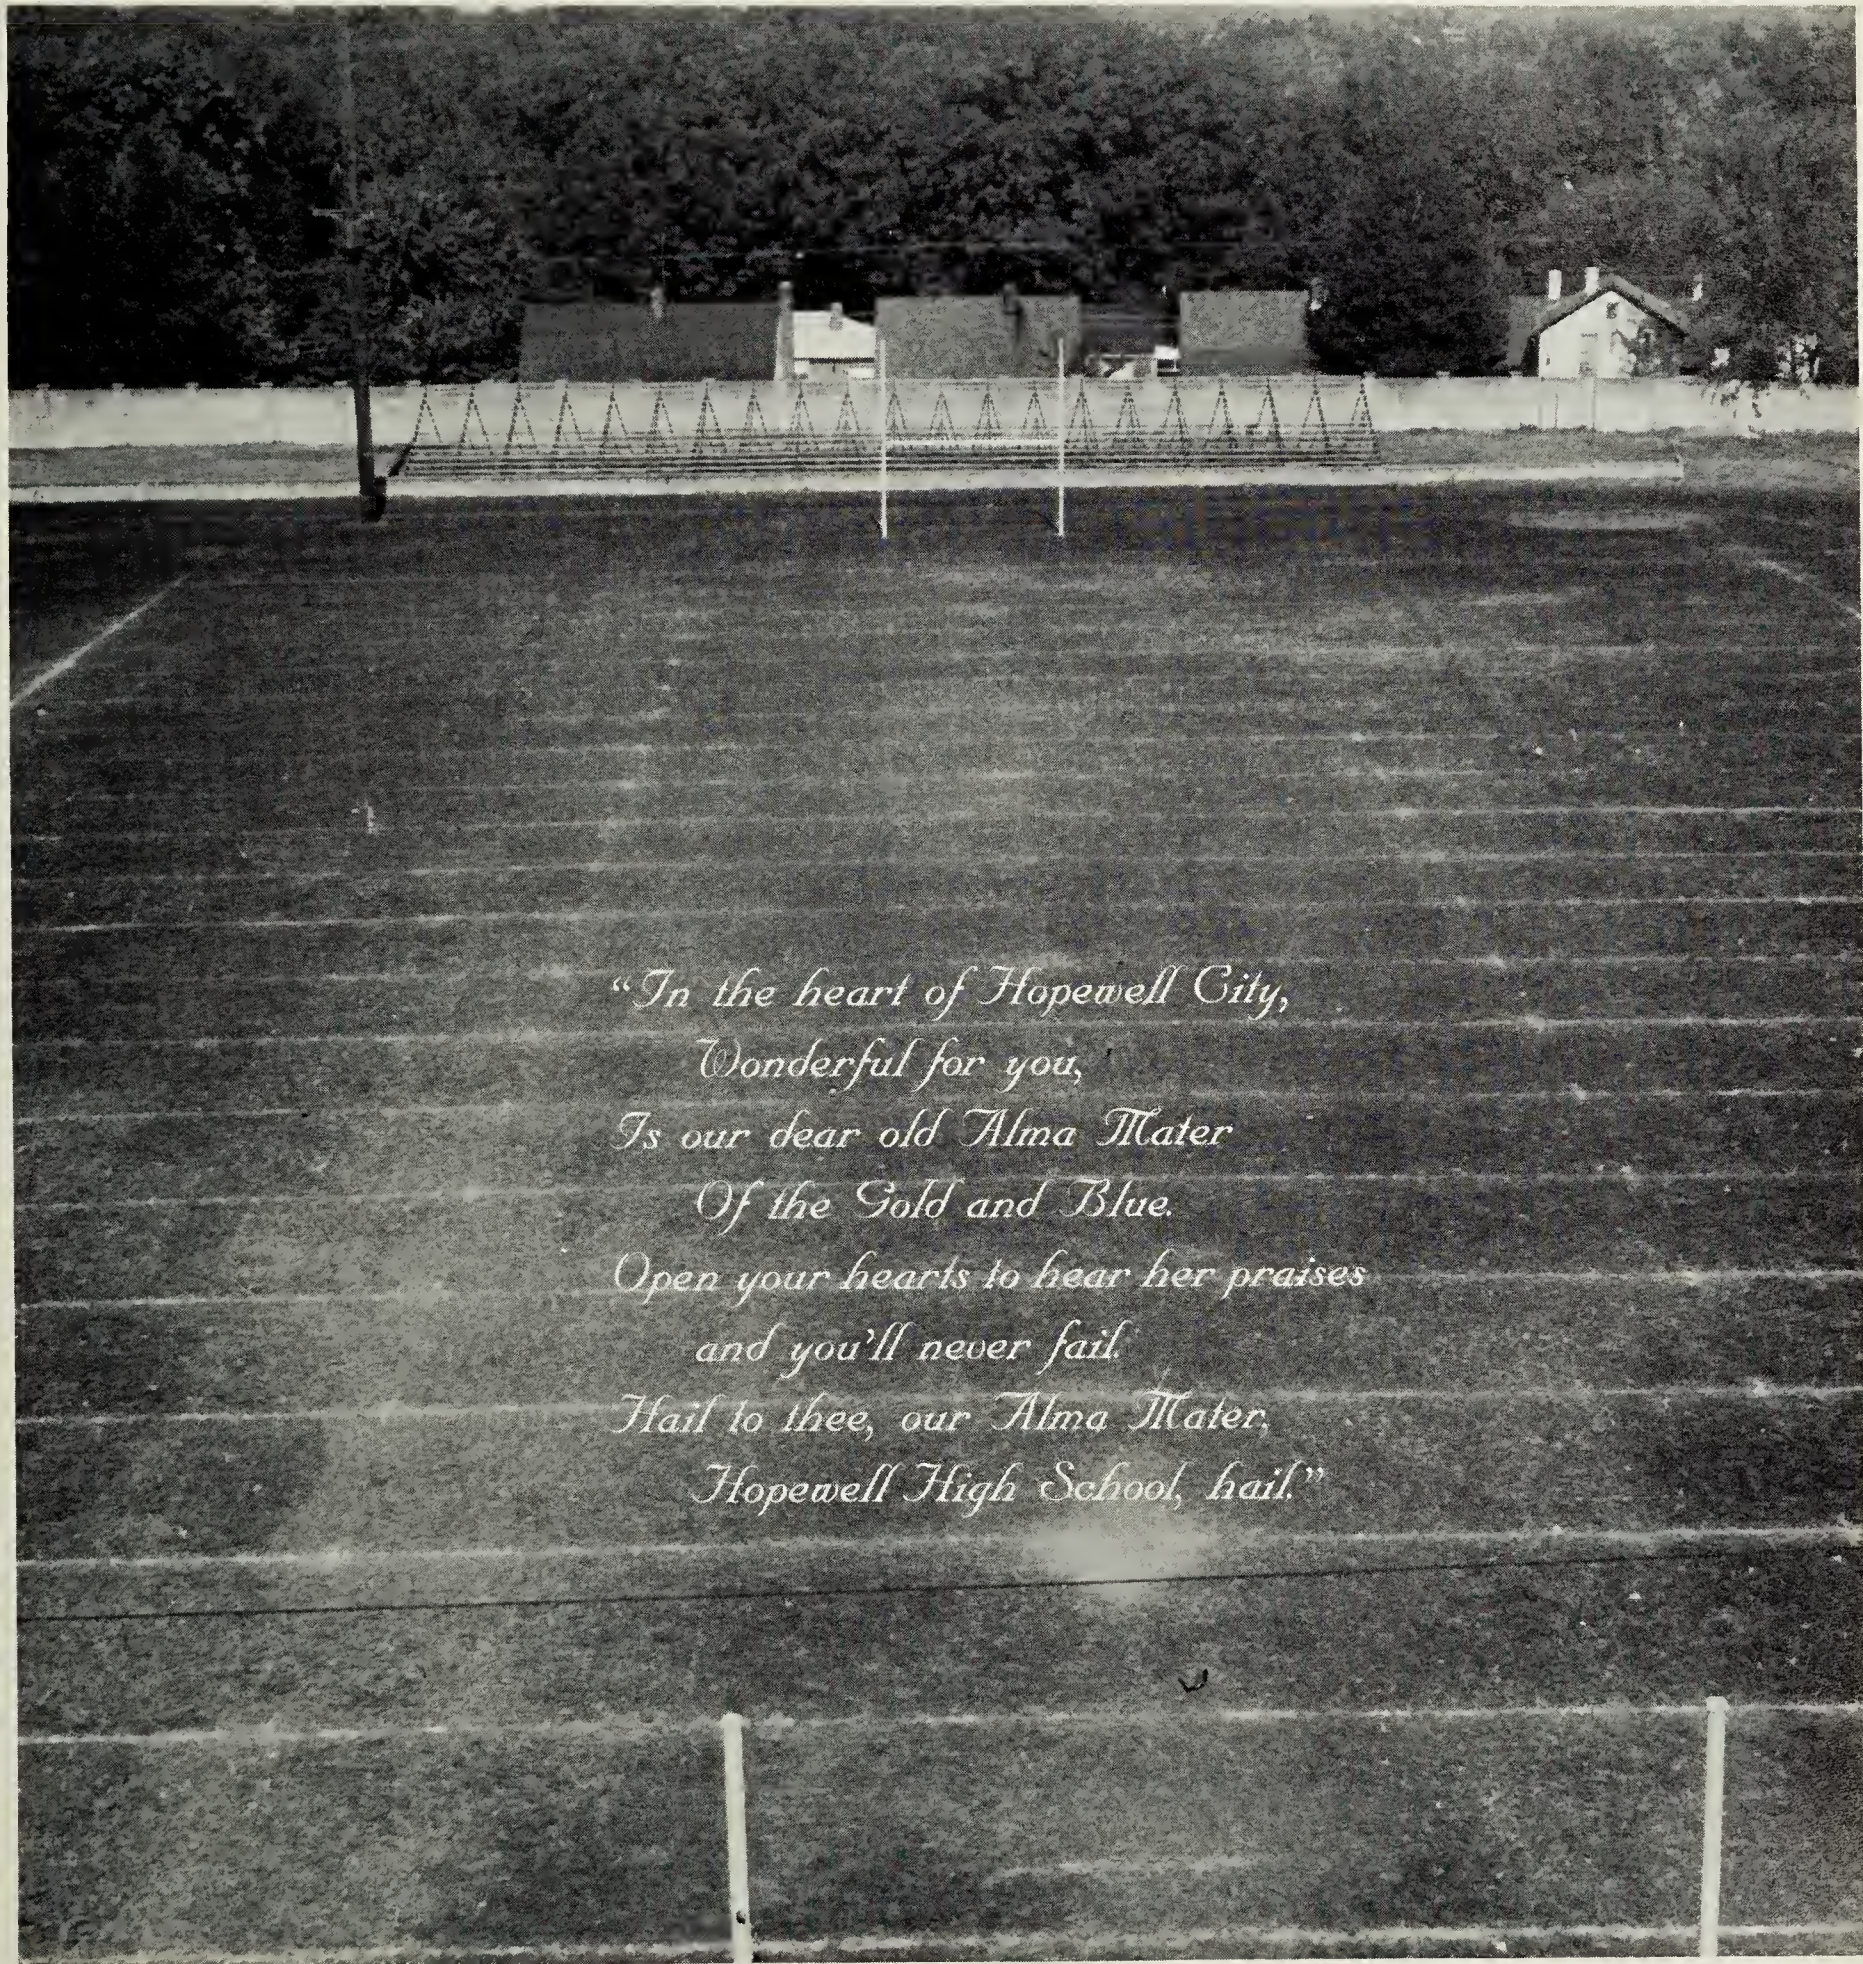

A new honor was bestowed for the first time on two Junior girls as they served as Graduation Marshals for the final meeting of the class of "62".

This place where the student body has sat for five years is now empty, in its own quiet way it speaks a farewell for another school year.

Our Alma Mater

*"In the heart of Hopewell City,
Wonderful for you,
Is our dear old Alma Mater
Of the Gold and Blue.
Open your hearts to hear her praises
and you'll never fail.
Hail to thee, our Alma Mater,
Hopewell High School, hail."*

The Classes Together

Everybody in the whole school has to study sometime.

We all like to meet our friends in the mornings.

Athletics

The Spirit of Athletics—

Freezing in the bleachers . . . cheers and yells . . . “Make that point!” . . . “We’re behind you!” . . . determination to win . . . tenseness . . . silence during foul shots . . . “Sweet Georgia Brown” . . . bus trips . . . excitement before the game . . . “Strike three!” . . . long practices . . . broad jump . . . “Break that record!” . . . that final lunge at the finish tape . . . tears of joy and disappointment . . . win or lose, that feeling of accomplishment.

Coach Bill Deans, Coach Wayne Whelan, Coach Forrest Glass, Coach Jack Stallard.

Among the better things at H.H.S. is her outstanding staff of football coaches. Mr. Deans, Head Coach and Backfield Coach, has done an excellent job of training his team during the 1962 season. Coach Deans was assisted by Mr. Whelan and Mr. Stallard, Line Coaches. The ends were under the direction of Coach Glass. The sweat and earnest effort put forth by the players plus the guidance and aid of the coaches account for the 7-3 record which the 1962 team boasts.

Captain Donnie McGuire

The 1962 football team was composed of several returning lettermen and some inexperienced players. This year's team has proved to be a well-rounded team. Through their strength and enthusiasm, the Blue Devils maintained a most successful season. It is also interesting to note that their three losses were by a very close margin.

This year, Blue Devil Captain, Donnie McGuire, having 98 points, was the highest scorer in the District. The desire and earnest effort shown by individual players plus the guidance of a wonderful coaching staff have combined to make a star 1962 football team.

Head Cheerleaders Mary Bartha and Marian Stallings show off their new uniforms with their new sponsor, Miss Mildred Brannan.

A great deal of recognition should be given to the Varsity Cheerleaders and newly-elected H. H. S. Devils who were dedicated to the cause of cheering the Blue Devils on to victory. Their never failing enthusiasm and spirited support were exhibited during both football and basketball seasons. Continuous practice, publicizing games, decorating goal posts, and leading pep rallies were only a few of the activities sponsored by them which helped to spread school spirit throughout the student body. They also participated in the annual Cheer Rally and rode in the Toy Parade in Richmond. A gala Homecoming weekend, planned with the assistance of their sponsor, Miss Mildred Brannan, was a real success and one of the outstanding projects of the year. The girls have worked together and consequently have proved to be a vital part of H. H. S. Win or lose, they are always there to remind us that our teams were the best.

"B" Team Football

Cooch Wayne Whelan gives John Letchworth some advice.

"B" Team football forms the center of our complete football program. The impressive record of this year's team gives reason to believe future Varsity teams will be better than ever.

TOURNAMENTS

"It's not the size of the Devil in the fight; it's the size of the fight in the Devil."

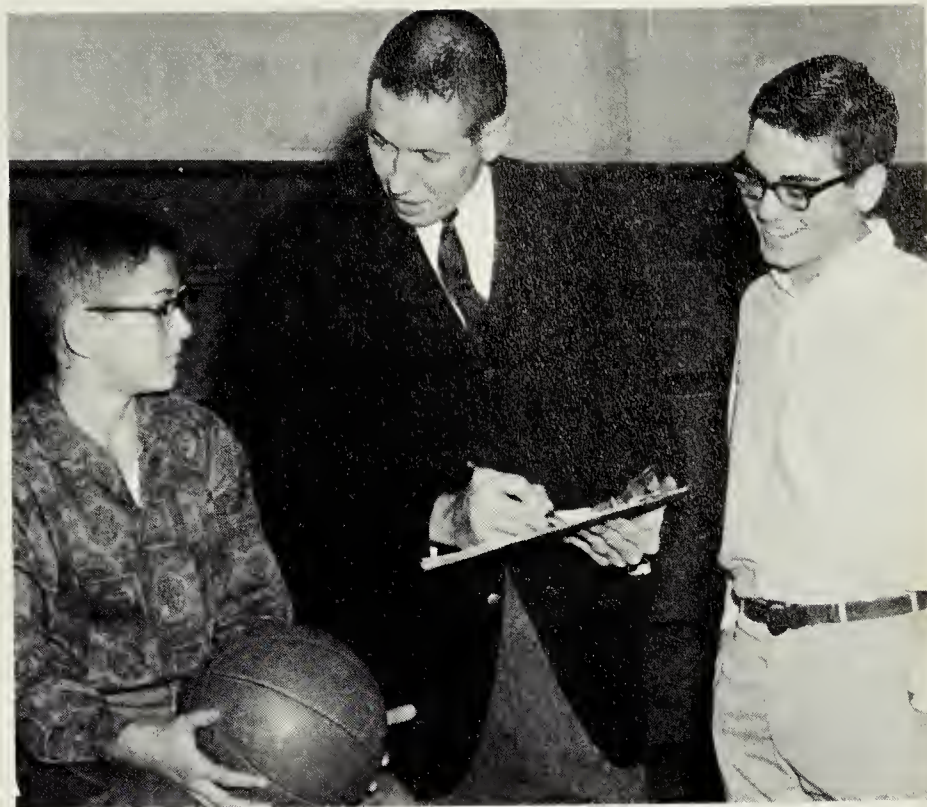

Bobby McGuire, Kenny Porr, Wayne Weston, Corl Jamarik, Dovid O'Connor, Albert Bloho.

Basketball

The Blue Devil Varsity basketball squad of 1963 consisted of 6 returning lettermen and several players who had not previously lettered but have shown excellent capabilities and good potential in past experiences. This team practiced teamwork as they displayed precision, enthusiasm, spirit, and good sportsmanship in the very best style. Working together, they put forth every effort to put down their opponents and climb one step higher on the ladder to final victory. They gazed longingly at those two coveted seats at the top of the ladder — the Central District and State Championships.

This year's squad did not have any one great all-star, but the boys displayed an outstanding desire to win which made every boy on the team a star. Each did his job equally as well as the other and contributed his part in making this year's team one to be remembered.

Coach Orr talks with Managers, Frank Letchworth and Bobby Jahnstan.

Needless to say, track has become a more prominent sport at Hopewell High School. Last year our team won numerous meets and surpassed previously set records. Participation and enthusiasm within the team were at a new high.

The group was certainly unusual as each member was outstanding in a particular event. There was much potential on this 1962 track team and next year's group should be exceptional, outstanding, and experienced, producing a star track team for 1963 at H. H. S.

FEATURES EDITORS for the KALEIDOSCOPE are Irma Gail Chapman and Carolyn Falls. Their junior assistant is Dee Elder.

Staff

It is a great honor to be a member of the KALEIDOSCOPE STAFF. However, quite a bit of work is involved. During one year, a member must solicit ads, sell the yearbooks, assist in the taking of the pictures of the underclassmen, get boosters, collect the money for these pictures, and distribute the yearbooks in the spring. He is also responsible for one section in the KALEIDOSCOPE. This involves designing the section, taking pictures, and writing the copy. The experience received and the fun involved is worth all the effort put forth.

Mr. Mal M. Utleve is the beloved sponsor of the KALEIDOSCOPE STAFF. His knowledge and determination spark the enthusiasm of the members of the staff.

The SPORTS SECTION is prepared by Mary Elizabeth Bartha and Faye Cregar. Wayne Cerney is their junior assistant.

Jim Pettit and Hazel Edwards have charge of the ORGANIZATIONS SECTION. Margaret Perry is their junior assistant. Hazel was unable to be present when the picture was taken.

Linda Hyslop, Circulation Manager, and Jo Ann Kendrick, Business Manager, have charge of the financial aspects of the KALEIDOSCOPE and the ADS SECTION. They are assisted by Eleanor Hening.

PHOTOGRAPHERS for the KALEIDOSCOPE STAFF are Jimmy Slagle, junior assistant, and Jim Pettit.

Advertisements

The feeling of accomplishment which we have gained from the editing of this book would not have been possible without the aid and co-operation of our local merchants. The Kaleidoscope Staff of 1963 would like to take this opportunity to thank our advertisers for their extreme kindness.

Today, as always, the C&P voice with a smile is as close as "Operator" on your dial. Intelligently, cheerfully, the "Operator" handles phone calls to faraway places and intricate day-to-day problems of telephone users. Her job is interesting, important, demanding and rewarding.
